

2024 Golf Outing Sponsorship Details

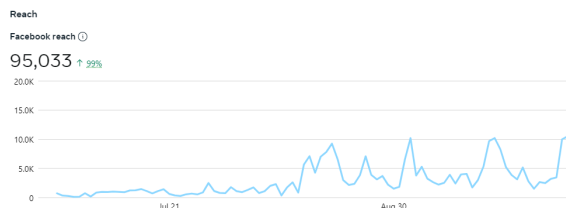

Thank you for considering a sponsorship of the Valparaiso Vikings Quarterback Club.

THE VALPARAISO VIKINGS QUARTERBACK CLUB INC is a 501 (c) (3) non-profit organization dedicated to financially supporting the football program in areas that the high school athletic department cannot.

All of our sponsors will receive Website Recognition, Social Media attention and varying amounts of signage at the golf outing. The bigger the sponsorship, the more exposure you'll get!

Our Facebook presence during Q3 is massive with over 95,000 total reach and continues into Q4. Your sponsorship will be appreciated by our 2.2K+ active followers who aren't too shy to like/share and comment on our posts. Some sponsorships receive recurring social media posts, to capture all of those magical in-season impressions for your brand.

Just ask any of our 2023 Sponsors about their experience and check out what website recognition looks like. We also provide a backlink to your website (if applicable)
